

Boustead Projects Limited

FY2018 Annual General Meeting

26 July 2018

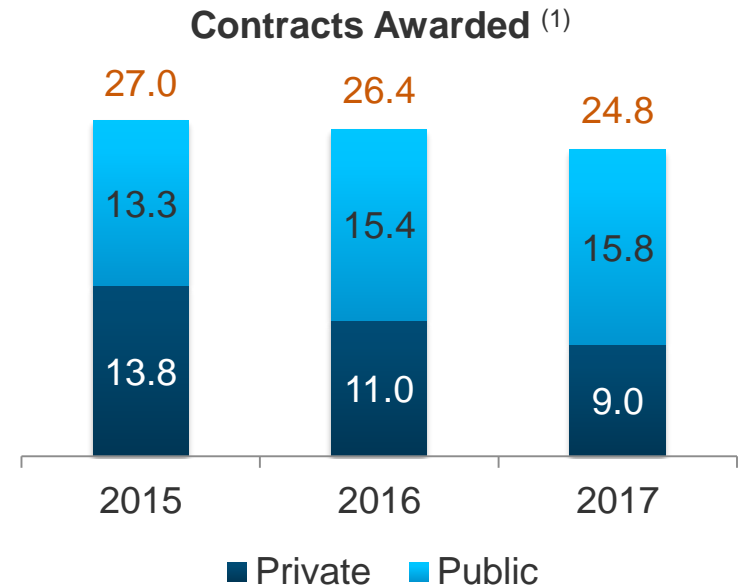

Group Financial Performance

Design-and-build Review (1)

- Public sector continued to dominate total construction demand.
(~64% in CY2017)
- During CY2017, the Singapore Government awarded ~\$1.67bil⁽¹⁾ worth of industrial building construction contracts.

Source:
(1) Building & Construction Authority

Design-and-build Review (2)

- Revenue fell 13% year-on-year on usually low value of contracts secured during FY2017 for revenue conversion in FY2018, and completion of a project with significant revenue contribution in FY2017
- Profit before income tax (PBT) growth **on productivity improvements, unlocking of cost savings and conversion of projects with higher margins**
- Healthy level of new contracts secured amid challenging market

*Includes \$5.3m contribution from sale of properties

Construction Contracts Secured by Country

Leasing Review (1)

- Overall market demand for industrial spaces remain soft.
(Overall rental index fell 2.0% year-on-year whilst occupancy rates slipped 0.4%.)
- Business park space remains a bright spot with rental index increasing 6.9% year-on-year.
- Limited government land tender and industrial land allocation opportunities for developers.

	Property Type	1Q 2018	Y-o-y Change
Rental Index ⁽¹⁾	All	91.1	-2.0%
	Multi-user factory	89.1	-1.8%
	Single-user factory	97.5	-2.4%
	Business park	111.5	+6.9%
	Warehouse	85.5	-5.5%

Leasing Review (2)

- Lower leasing revenue mainly due to AusGroup’s early lease termination (for 36 Tuas Road property) and lease expiry for 85 Tuas South Ave 1
- Lower profit before income tax (PBT) mainly due to AusGroup early lease termination, lease expiry at 85 Tuas South Ave 1 and absence of one-off other gains
